FICO officer [Ex. 6 - Personal Privacy] confirmed her availability at 2:00 PM on June 7. She promised to send me an email with a detailed description of June 10 events before Monday. Eatalyword/FICO is at Via Paolo Canali, 1 but you will need more instructions to reach the site (it is a huge and in-construction area).

For **Palazzo Re Enzo**, you should talk with Bologna questore/prefetto, since it belongs to the Mayor! I imagine Riccardo can help.

For the **Hotel Savoia**, I am still waiting to know if the G7Logistic team is already there – according to MOE Dip Adv Marguccio, the hotel is still open to the public for a public medical conference and will be set at the last minute (don't be afraid, this is typical of Italians but then they make it well and on time!)

Have a nice weekend

In this case, I think we can keep the airport off the line advance on the 7<sup>th</sup>. We'll plan on the schedule below for now.

If there is a chance the Administrator will depart Italy from the Bologna airport, I would strongly encourage the airport be advanced by security personnel, not necessarily the whole advance staff.

Hi Ex. 6 - Personal Privacy

When I made the inquiry with our Security staff, they said that they were working this out with RSO and would need to get word from them. I follow your logic on Bologna airport, but am not sure if they advance it anyways in case there is emergency and Administrator has no choice but to leave from Bologna.

[Ex. 7(c)] we will do whatever you advise.

Mark

Hi Folks,

A couple of questions about the advance in light of the latest schedule:

It looks like the Administrator will be departing Bologna by car and leaving through Milan, not the airport in Bologna. Mark, can we take the airport off the advance?

[Ex. 7(c)] I see that you have budgeted a sedan and a van for the advance. Will the sedan be coming up from Rome with the advance team?

We need to add Palazzo Re Enzo back to the advance, so we can use the original plan. [Ex. 6 - Personal Privacy] we can keep Savoia and FICO as is, but will have to add Palazzo Re Enzo back in at 10:30 AM -

11:45 AM timeslot. If we need to keep the airport, we can add it after the FICO site. Please advise.

08:15: [Ex. 6 - Personal Privacy] and [Ex. 6 - Personal Privacy] depart Florence

09:30AM: [Ex. 6 - Personal Privacy] and [Ex. 6 - Personal Privacy] meet Mark/advance team at Bologna station.

09:30 – 10:15 am: Station site survey

10:30PM-11:45PM: Palazzo Re Enzo survey

12:00AM-1PM: Line advance Savoia Hotel survey, [Ex. 6 - Personal Privacy] and security crew w/ questura

1-2PM: LUNCH SOMEWHERE NEAR THE HOTEL or FICO

2:00-3:30PM: FICO/CAAB site visit (security and line advance meet at FICO)

4PM: TBD Airport

4:30PM or 6PM (depending on airport): Departures

Also please send us the updated transportation manifest whenever it's available. Mark, I take it that we can still cut vehicles for the 13<sup>th</sup>?

Regards,
